

# ALERT AND TOAST

Nama : Fajar Satriadi  
Nim : 221011401917  
Kelas : 06TPLP030  
Mata Kuliah : Mobile Programing

## Codingan

```
lib > main.dart > main
1 import 'package:flutter/material.dart';
2 import 'package:fluttertoast/fluttertoast.dart';
3
4 void main() {
5   runApp(ToastAndAlertApp());
6 }
7
8 class ToastAndAlertApp extends StatelessWidget {
9   const ToastAndAlertApp({super.key});
10
11   @override
12   Widget build(BuildContext context) {
13     return MaterialApp(
14       title: "Toast and Alert",
15       debugShowCheckedModeBanner: false,
16       theme: ThemeData(
17         colorSchemeSeed: Colors.teal,
18         useMaterial3: true,
19         scaffoldBackgroundColor: Colors.grey[50],
20       ), // ThemeData
21       home: ToastAndAlertScreen(),
22     ); // MaterialApp
23   }
24 }
25
26 class ToastAndAlertScreen extends StatefulWidget {
27   const ToastAndAlertScreen({super.key});
28
29   @override
30   State<ToastAndAlertScreen> createState() => _ToastAndAlertScreenState();
31 }
32
33 class _ToastAndAlertScreenState extends State<ToastAndAlertScreen> {
34   final TextEditingController _controller = TextEditingController();
35
36   void showConfirmationDialog() {
37     showDialog(
38       context: context,
39       builder: (context) => AlertDialog(
40         title: Text("Confirmation Dialog"),
41         content: Text(_controller.text),
42         actions: [
43           TextButton(
44             onPressed: () {
45               // Dismiss the dialog
46               Navigator.pop(context);
47             },
48             child: Text("Cancel"),
49           ),
50           TextButton(
51             onPressed: () {
52               // Show the toast and alert
53               Fluttertoast.showToast(
54                 msg: "Hello! Welcome!",
55                 backgroundColor: Colors.teal,
56                 textColor: Colors.white,
57                 fontSize: 16,
58               );
59               Fluttertoast.showShortToast(
60                 "Hello! Welcome!",
61                 backgroundColor: Colors.teal,
62                 textColor: Colors.white,
63                 fontSize: 16,
64               );
65             },
66             child: Text("OK"),
67           ),
68         ],
69       ),
70     );
71   }
72 }
```

## Hasil Setelah di Run
